# A letter from Sydney

First, I just want to say it has been an amazing and memorable Season 19 at Dance Dimensions. I have been a part of the Dance Dimension Family for 18 years, but this was the first year as studio owner. It's safe to say, we experienced many changes and growing opportunities, but with the help from the amazing students and staff, we have continued to grow together. Thank you to all who have been a part of it as our Dance Family; faculty, parents, and especially the dancers. I have seen the dancer's passion for dance come alive in our amazing showcase we have put on. Their dedication and enthusiasm shown throughout the season makes me so proud to be their dance teacher. I am grateful I have the opportunity to watch them grow not only as dancers but individuals. From the many laughs we shared to the resilience and flexibility they showed, I could not be more proud of them.

This year, my family has become my partners in running Dance Dimensions. We are especially thankful for the loyalty of our dancers and their families. Without your support, none of this would have been possible. We look forward to continuing to grow together and making Season 20 even better!

Love to you all,  
Sydney Jones
