DANCE DIMENSIONS COMPANY DANCERS SPOTLIGHT

The Dance Dimensions company recently showcased their incredible talent at the 2nd competition of the season in February, our Elite and Select teams secured numerous platinum awards. A special shoutout to Jacobo and Gia, who claimed the first overall spot for their mesmerizing duo, choreographed by the talented Miss Madison. In addition to individual successes, our select team small group of Presley, KK & Rylee earned the prestigious Dancing Divas award for their outstanding performance of "Wednesday," choreographed by Ms Sydney. The team's success is undeniable, and there's more excitement to come with two upcoming competitions in May and the first weekend of July. Looking ahead, the anticipation is building for Season 21's Dance Company team auditions scheduled for Sunday, May 18. For interested parties, parent packages will be distributed after April 15. If your dancer has ever aspired to join the competition team, next year could be their golden opportunity. Feel free to reach out with any questions—we're here to support the journey of passionate dancers!

MARCH BRAVO RECITAL NOTES

BRAVO 2024 - JUNE 23, 2024

Dear Dance Dimensions Families, As we gear up for the grand finale of Season 20 with our end-of-the-year recital, "Bravo, 2024," on June 23, 2024, there are numerous details to consider. To make the preparation smoother for all families, we've dedicated this page of the newsletter to friendly reminders, tips, and essential information. Should you have any additional questions or require further clarification, please don't hesitate to reach out. Feel free to email us at info@dancedimensionspd.com—we're here to ensure a memorable and seamless experience for everyone. Let the countdown to "Bravo, 2024" begin!

BRAVO 2023 THEME "EXPRESS YOURSELF"

What a memorable season this has been so far. In the theme of "Express Yourself" we are teaching the dancers to use dance as a form of expression for emotions and to tell a story with their movement. We have been using an Emotion Wheel in each dance space, to explore emotions with our dancers and teach them how they can use dance/movement/music to express feelings. Our Bravo Recital in June 2024 will have segments of dance routines with different emotions expressed throughout the evening. Each class has an emotion they will be expressing through their dance routine.

In addition to expressing ourselves with dance, we also are challenging our dancers to use one of the emotion words from their dance(s) and translate it into a captivating portrait through their artistry. The artwork should be on 8 1/2 x 11 paper, have the emotion word, artistic expression of the emotion & name on the front right corner & back of the paper. The submissions will have the opportunity to be prominently featured during BRAVO on the big screen and within the program. We will be selecting one artwork for each emotion to showcase the beginning of the dance segment of this specified emotion at the Recital. The artwork is due by 3/29/24 to the Front Desk.
