## BRAVO 2023 THEME "EXPRESS YOURSELF"

What a memorable season this has been so far. In the theme of "Express Yourself" we are teaching the dancers to use dance as a form of expression for emotions and to tell a story with their movement. We have been using an Emotion Wheel in each dance space, to explore emotions with our dancers and teach them how they can use dance/movement/music to express feelings. Our Bravo Recital in June 2024 will have segments of dance routines with different emotions expressed throughout the evening. Each class has an emotion they will be expressing through their dance routine.

In addition to expressing ourselves with dance, we also are challenging our dancers to use one of the emotion words from their dance(s) and translate it into a captivating portrait through their artistry. The artwork should be on 8 1/2 x 11 paper, have the emotion word, artistic expression of the emotion & name on the front right corner & back of the paper. The submissions will have the opportunity to be prominently featured during BRAVO on the big screen and within the program. We will be selecting one artwork for each emotion to showcase the beginning of the dance segment of this specified emotion at the Recital. The artwork is due by 4/30/24 to the Front Desk.
