SEASON 20 EXPRESS YOURSELF - 2023 / 2024

MARK YOUR CALENDERS

WHY "EXPRESS YOURSELF" THEME?

Dance Dimensions believes that we teach MORE than dance at our studio. We teach character, hard work, perseverance, working with others and confidence. Dance is also one of the most powerful ways to express feelings of all kinds through movement/music/tempo. It is tough sometimes for children to express how they are feeling because they don't always have the opportunity or verbal ability to express feelings. This season, we will be using Emotion Wheels to explore emotions with our dancers and teach how they can use dance/movement/music to express feelings. Our Bravo Recital in June 2024 will have dance routines with different emotions expressed throughout the evening. We look forward to Season 20 - Express Yourself.
